CORRIDOR COLLECTION

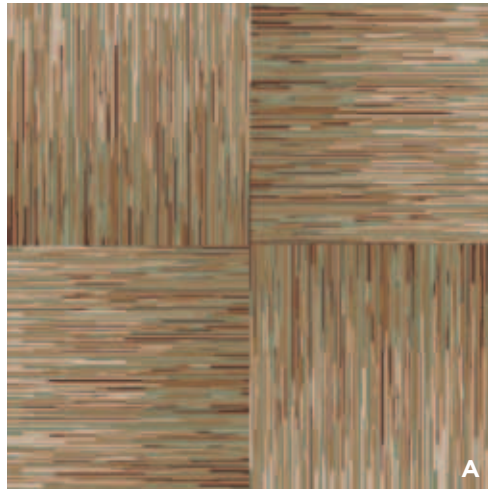

MODERN. CLEAN. NOW. Geometric shapes and clean lines lend a modernistic edge to the Align collection that says, “never yesterday, always now,” commanding a dynamic sophisticated presence albeit the unobtrusive nature of its design.

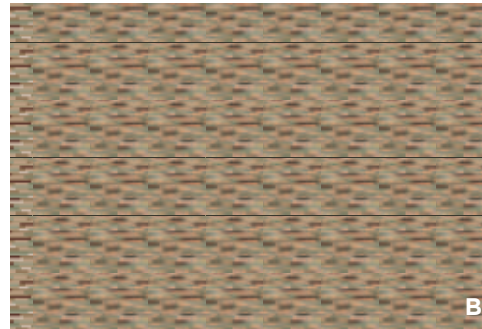

With the use of any of our Corridor Collection designs, one can expect Aureus Design System’s unrivaled, incomparable performance. Technically advanced floor coverings are achieved in clarity and content due to our use of the latest technology in machinery combined with Econyl 75™ yarn by Aquafil®, Europe’s top fiber producer.

Awareness of the need for high quality design is an important facet of a successful business. DESIGN POWER IS MARKET POWER.

Qualified Professional Installation

Patterned carpet installation demands the expertise of a trained professional installer. Northwest Carpets, Inc. recommends Floor-Covering Installation Contractors Association (FCICA)—affiliated installers, PH: 248-661-5015 (fcica.com); and Certified Floor-Covering Installers (CFI), PH: 816-231-4343 (cfi-installers.org).

Environmental Information

Carpets tufted by Aureus Design Systems use exclusively Aquafil Econyl 75™ solution-dyed nylon. With all of the same superior qualities as Aquafil's Alto Chroma™ fiber, Econyl 75™ is made with 75% recycled fiber content (70% Post-Industrial, 5% Post-Consumer). All Aureus products

are CRI Green Label Plus Certified, proven to emit low or not harmful VOC's. Aureus carpet has been tested and proven to last longer than other branded and non-branded nylon, reducing replacement frequency, leaving a smaller footprint on the environment.

- CRI Green Label Plus™ Certified
- Product qualifies 1 LEED Point
- 75% Recycled Content

Warranty Information

These warranties apply exclusively to carpets made using the Econyl 75™ fiber. Using these products in areas where traffic is inappropriate for carpet, or failure to adhere to a regular carpet maintenance regimen (as outlined in Aureus literature, or see www.aureuscarpet.com for full warranty information) voids these warranties. All warranties valid under normal conditions, when product is installed and maintained properly. Contact your sales person for more details and visit website for full warranty information.
